Mr. T. Y. Baird,
420 East Ninth St.,
Kansas City, Mo.

Dear Mr. Baird:

I was just talking to Posey and learned that Kansas City is playing in Washington August 13th. My park is available for the next day, the 14th and I believe if you could come here to play a game that date we should really have a pretty good crowd.

I learned Sunday the Bushwicks are starting their games from now on at 7:45 P. M., some new ruling has just been handed down in Washington. If we could start that late, it would of course be that much better. I know the East-West game is the following Sunday, but there would be plenty of time for the players to get there from Newark Friday night.

Will appreciate hearing from you right away, so I can get the park.

Very truly yours,
